Christmas Message and Crib Offering

"At Christmas I send my warmest Christmas greetings and prayers to all who support the work of the Pastoral Care Project. Christmas is a time for family and home, a season that builds on the memories of the past. It is, for this very reason, a difficult time for those whose failing health and declining years have led to increasing isolation.

Thank you for a work that reaches out to so many, to those for whom 'there is no room at the Christmas inn.' It is in the most vulnerable that we welcome Christ."
