Dear Friends,

**I warmly recommend to you
Dementia – Prayer Week 12 – 19th
March 2015.**

Dementia is a degenerative disease which tends to isolate both the sufferer and the families that surround them. Confronted with this condition we naturally feel inadequate. Prayer is one very powerful way of connecting with all concerned. Let us pray for and with those whose lives have been touched by dementia. In this way we unite ourselves with them, forging a link with the Lord that words alone cannot express.

One of my own lasting links with my mother in her final months was to share with her the Hail Mary. Dementia had robbed her of many links with the past, but prayer endured as a living link to the end.

Let this **Dementia – Prayer Week** become your link to the many families struggling with dementia.
